Competitors who do not finish will be awarded 1 point

Organisers will be awarded 12 points (maximum of two organisers per event, only one event to be counted towards the championship) Marshalls will receive 10 points (points will only be awarded for marshalling a maximum of two events)

Scores will count as follows:

6 rounds run, best 5 results count

5 rounds run, best 4 results count

4 rounds run, best 3 results count

3 rounds run, best 2 results count

Any less than three events the championship will be declared null and void

It is the competitor's responsibility to obtain regulations and submit entries for each event.

Classes

Competitors will compete in four classes as detailed below:

Class 1 Beginners - defined as not competed on more than two motor sport events in their chosen discipline

Class 2 Novice - defined as not finished in the top 20 of a National B road rally in their chosen discipline

Class 3 Semi Expert - defined as finished in the top 20 but not the top 10 of a National B road rally in their chosen discipline

Class 4 Expert - defined as finished in the top 10 of a National B road rally in their chosen discipline

Road rallies up to the end of September of the current year (2018) will count.

Results

Results will be published on the Carlton & District Motor Club website throughout the duration of the championship.

It is the competitor's responsibility to point out any discretions within the results to the championship co-ordinator before the results go final 7 days after the final round of the championship.

In the event of a tie break the decider will be by the number of highest place finishes then smallest engine capacity, if at this point there is still no clear victor the championship will result in a draw.

Awards

The awards will be presented at the Carlton & District Motor Club awards presentation to be held in 2019 and will be allocated as follows:

- 1st Overall Driver
- 1st Overall Navigator
