

**CARLTON MOTOR CLUB**

**PRACTISE DAY @ CURBOROUGH SPRINT COURSE , LICHFIELD**

**SATURDAY 28TH OCTOBER 2017**

**The good news [after various lengthy discussions ] is the event is on for 2017 .  
However the only available date before mid November is SATURDAY 28TH OCTOBER .  
I realise for some this clashes again with Wales Rally GB but this is due to the popularity  
of the Sprint course .**

**As per the last few years a full days motor sport is booked . There will also be the  
opportunity to change the route a couple of times.  
The on-site catering is also booked.**

**The bad news – after remaining price stable for a number of years this year the price for  
individuals will be £38 [still very good value compared to other track days]**

**If you've enjoyed the event in the past please also tell your friends and book them in . All  
welcome subject to an overall maximum for the day of 35 cars. First come first served !**

**If you've been before you can book by email or text and pay on the day.  
If you've not been before you will need to send a cheque to me [its not cashed until after  
the event]**

**NOTE you can cancel without penalty provided I'm given enough time to refill the place.**

**Just a quick reminder – road cars only [no single seaters] ; noise test [contact me if in  
doubt ] ; price is per car not per person ; only safety reqt crash helmet .**

**Any further info or questions please get back to me**
