

# Carlton's Christmas Treasure Hunt

Sunday December 31<sup>st</sup> 2017

Christmas is coming as evidenced by what's already available in the shops !

There's been a long run of Carlton's Christmas treasure hunt and traditionally its normally the Sunday between Christmas and New Year ..... so this year the date is Sunday 31<sup>st</sup> December .

I've started on the early planning but by the time you read this there will be less than 3 months [and only two newsletters ] before the event.

The event will be similar to previous years but this year the majority of clues will be *easier* [just a few hard ones thrown in to keep the experts awake]

It will start from Ruddington country park and will be 25 miles [2½ hours maximum] along quiet country lanes .

You have to answer questions en route ; identify a few photos ; and pick up some treasures .

In return you'll finish at a nice country pub to enjoy a well earned drink . Food will be available.

The cost just £7.50 per car
